不気味な顔の妖精 イリス

The double
appearance
of Iris (Dark Fey)

is actually a
"darkness,"
the source
of unknown
origins.

Due to its
essence, 1/4
of the world
has been
transformed
into
darkness.

It's only a
matter of time
before the
other 3/4 of
the world
turns into
darkness.

Before
these
darkness
attacks.

A place
where
you'll get.

But this girl
only used 60
seconds to
defeat 6000
plumbers of
the same kind

Formerly,
a druggist
against one
plumber

received four
million dollars
and one
extra copy
number along
hundred
rewards

This
mysterious
body
has been a
golden
plumber.

the only
hope for
humans to
defeat
plumbers

This girl
is—

CONFESSION
TO THE
REDACTED
FOR THE
DISCOVERY

—2007

THE COOKING
POT IS COVERED
IN FLAMES!

WHAT DID
YOU DO?!

IN ORDER TO
TERMINATE THE
SPREAD OF FIRE,
HE MADE FOR
INTENSE PARTIAL
PROTECTION OF
THE KITCHEN!

I SAW
SPRINKLE POWDER!

74
4!
I WANTED TO
TO FIGHT WATER
ON THE FIRE,
BUT WHEN I
TOOK A CLOSER
LOOK

POUR
SOME HOT-
TEMPERED OIL
PLEASE!

SAY

YOU LOUSY
HOUSE-
WIFE!

THIS IS ALL
YOUR FAULT
AAAAAH!

This robot girl's name is Iris.

Does that teacher
have a fetish for
alone students?

Oh...

*I should put
something on it
or it might get
infected.*

SCARY

NAHI-SENPAI
HERE...

IT'S A
DISINFECTANT!

Oh,
SENPAI,
IS THAT
FOR ME?

YOU
REMEMBER
YOU'RE
WORKING
HARD!

It's impossible to get caught in this.

Warrior
crossed out
1000 after
40.

But, the famous high-profile university recruited robots in their school.

were able to find the class in 30 seconds. They've destroyed almost everyone.

In 100 meters which would take class, she holds a computer record of 8 seconds.

Despite the fact that her class has a class that appears to be a class, she is a classmate.

broken and jumped through second floor window.

shipped all the robot's floor.

You successfully escaped in the 30 seconds allotted time.

But... now you're really good at it.

But... now you're really good at it.

Teacher
How
difficult
students.

is an ad hoc
force and the
fact that they
maintain and
keep activities
to fight against
planets that
had taken
over and
dominate of the
world.

The "engine"
downfall of a
top military
school, and
the school is
one of the
better ones
in the area.

you
noticed

As long
as I
perform
well,

I feel
accom-
plished

The harder
I try, the
more impos-
sible it is to
adjust to my
concentra-
tion as a
mercenary.

SEEMS TO
BE IN LOW
SPIRITS
THESE DAYS.

YOU WERE
REALLY ACTIVE
IN TODAY'S
TRAINING, BUT
YOU LOOKED
LIKE YOU WERE
UNHAPPY...

IT'S WAY
BEYOND WHAT
THE AVERAGE
CON-
CENTRATION
HAS TO
OFFER

EVERY STUDENT
GETS HIS OWN
INSTRUCTOR
AND PERSONAL
LABORATORY.

TECHNICAL
ENGINEERING IS
THE SIGNATURE
CONCENTRATION
OF OUR SCHOOL.
I UNDERSTAND
WHY SHI-CHAN
WANTS TO
TRANSFER.

AS SHI-CHAN SAID, FOR PEOPLE
INTERESTED IN PUTTING TOGETHER
MACHINES, IT HAS THE BEST
FACILITIES THERE ARE.

WHAT
AM I?

COMPARED
TO SHI-CHAN
WHOSE
GOAL IS TO
BECOME A
BATTLEFIELD
CHEF

IT'S STILL NOT TOO
LATE TO RESIGN
AGAIN FOR THE EXAM
FOR MECHANICAL
ENGINEERING. IS IT?
I OFTEN WONDER.

AFTER ONE YEAR IN
MERCENARY TRAINING
I'VE SUCCESSFULLY
BECOME A SORT-OF
HIRE... BUT RATHER
THAN CONTINUING
WHAT I'VE BEEN
DOING.

SORRY,
SHI-CHAN.

I'VE BEEN
FORGETTING
THE QUALITY OF
SCHOOL LIFE.

I WILL...

THIS TIME I
ALERT

I HAVE SOME-
WHERE TO GO.

SO, UH,
SEE YOU
TOMORROW!

GO TO THAT
PLACE TO DISTRACT
MYSELF.

THAT'S
ALL
THE...

OH
YOU'RE NOT
HELPFUL!

SHOULD
CAN I
HAVE YOUR
BENTO
TOMORROW
TOO?

I'M ONLY JUST
MAKING DENTOS
AFTER ALL... HE
DIDN'T NOTICE...

FEELS
LIKE I'VE
RETURNED
HOME!

OH-I I FEEL
RELAX NOW
THAT I'M HERE!

WAKE UP
I TELL
YOU!

HEY!
WAKE UP!

THE TOUCH
OF HER SKIN...
SEEMS
UNUSUAL!

NO
PULSE.

AN
ANDROID?!

LOOKING
CLOSER,
HER SILVER
HAIR
SEEMED
TO BE
ARTIFICIAL FIBERS...

THIS MEANS
THAT THIS IS A
WIFE!

I REMEMBERED
THAT THERE
WERE SOME
VERY PEOPLE
WHO USED
ARTIFICIAL
HOUSEKEEPING
ROBOTS AT
HOME...

IT LOOKS ALMOST
IDENTICAL TO A HUMAN
BEING! THE VALUE OF
SUCH FINE WORKMAN-
SHIP SHOULD BE ON
PAR WITH A MANSION!

What
are you
doing?

Long

YOU KNOW WHAT I CAN DO WITH THESE ROBOTS?

EVEN I
HAVE NEVER
KNOWN OF
SOMEONE
CAPABLE OF
SUCH AN
ADVANCED

EXPLODING
ARMED
ROBOTS.

YOU KNOW... YOU CAN DO THAT.

SINCE IT'S
FINE, I CAN
JUST TAKE IT.

And maybe I'll finally be accepted by Mechanical Engineering, my dream concentration.

If I can successfully repair her, I will have a functioning housekeeping robot.

Plus, if they see me activating her.

Would the mechanical engineering instructor approve of my skills?

IT MIGHT TAKE SOME TIME

BUT I WILL MAKE SURE THAT YOU CAN MOVE AGAIN.

YOU AND I HAVE A LOT IN COMMON!

NAG

YOU'VE BEEN
ACTING WEIRDLY
THESE DAYS.

BUT MORE
IMPORTANTLY
YOU'RE
SLEEPING IN
CLASS!

AND YOU
HARDLY
EAT!
THAT'S WORSE
THAN ASLEEP
IN SCHOOL
ENDS.

YOU
IGNORE THE
SCHEDULE
AND SLEEP
IN CLASS.

OH,
MOMMY.
DO I
SMELL?

THAT'S
NOT
WHAT'S
HERE!

YOU
UNDERSTAND
THAT IF THIS
CONTINUES,
YOUR DEAR
MOMMY WILL BE
HOPELESS

AND THE
CLASS I
ATTEND
WILL
EXPERIENCE
A DROP IN
AVERAGE
GRADE!

DEFINITELY
CANNOT
ALLOW
THIS!

ARGENT

WHAT
ARE YOU
TALKING
ME FOR?

IS IT
BECAUSE
I WENT
TO THE
GARDEN?

AMAZING, RIGHT?
THE WAY I
YOU'RE ACTING
IS PROBABLY
AFTER!

AAA... THAT'S
BECAUSE
YOU'RE A
FAMOUS
PERSON!

HAHA

FINE, I
GIVE IT UP.

STARTING
TOMORROW I
WON'T SLEEP IN
CLASS ANYMORE!

SINCE THE
CLASS BEGAN ONE
YEAR AND THREE
MONTHS AGO,
WE'VE BEEN IN THE
TOP 5 IN EVERY
SUBJECT! OUR
CLASS HAS ALSO
MAINTAINED HIGH
PERFORMANCE IN
INTERDISCIPLINARY
TRAINING AS
WELL! NO ONE
CAN MATCH MY
BATTLE RECORDS
WITH THE
SUPERNATURAL!

I, NAME, LAST
YEAR'S NOMINATED
WAS HERE, AM
THE REPRESENTA-
TIVE OF THIS
CLASS. NOT ITS
NO EXAGGERATION
TO SAY THAT I AM
THE REPRESENTA-
TIVE OF THIS
ENTIRE SCHOOL!

WAIT
LEAVE!

IN THE
FUTURE
ONLY PEOPLE
WITH SPECIAL
ABILITIES
CAN CALL ME
MOM!

SORRY
ABOUT, I'M
GONNA SLEEP
TODAY.

SEE YA
TOMORROW!

I
THINK
THAT'S
ABOUT
IT.

TODAY... IT'S GOING
TO BE OVERSTREET
TODAY!

THE
MECHANICAL
CRYSTAL

SO THE
ONLY
THING
LEFT, THE
MOST
IMPORTANT
PART...

THE
MACHINE
HAD THE
BASIC
TECHNICAL
SYSTEMS...

THE ARTI-
FICIAL
NEURONS
WERE CON-
NECTED.

A HUMANOID
ROBOT'S BRAIN
CONTAINS
CIRCUITS THAT
ALLOW FOR
THOUGHTS, THE
ARTIFICIAL INTEL-
LIGENCE (A.I.)
SYSTEM.

EXCUSE MY
HAND, I NEED
TO LIFT THIS
TOWEL
SLIGHTLY.

AN ORDINARY PERSON
ACCEPTS THAT A
HUMAN'S BRAIN IS
LOCATED IN ONE'S
HEAD.

BUT I PUT THE
MECHANICAL CRYSTAL
WHERE HER HEART
SHOULD BE.

THE MOST
IMPORTANT THING
FOR BOTH HUMANS
AND MACHINES IS
THE "HEART."

MEANS,
"HOPE."

MY NAME
"IL'S" - AS
UNDERSTOOD BY
ANCIENT
LANGUAGE",

THIS HOUSING DOESN'T
RESEMBLE MY HOME.
AS LONG AS SHE
LIKES IT, IT'S FINE.

ALRIGHT,
YOU'RE

ATTACHED
TO A NAME
YOU'VE
USED
BEFORE,
RIGHT?

THAT'S
WHY I LIKE
IT A LOT.

I THINK IT'S
A GREAT
NAME.

AT THE TIME I'D
NEVER THOUGHT
THAT

THIS GIRL WOULD
BE MARROW'S
LAST HOPE.

YES!

PLEASE
TAKE CARE
OF HER, BOSS.

希望を手にした組の運命は!?
